SIR,

I have the honor to state that during my inspection of the mugrai Institutions in the Ranjangud Taluk on the 8th December 1908 it was noticed by me that the thatched roof of the Navaratree mantap in front of the Sri Srikanteswara Swami temple at Ranjangud presented an ugly appearance. It was also thought to be dangerous. I therefore called upon the Divisional Officer to submit an estimate providing zinc sheets for the roof.

An estimate amounting to

to Rs 4759 for repairing the said mantap and the plan received from the Sub Divisional officer are herewith submitted for sanction.

The necessity for the repairs of the mantap in question was also discussed with the mugrai Superintendent on 2.4.1909 at Ranjangud after inspection of the mantap.

The charge may be met out of the funds of the Sri Srikanteswara Swami temple
